GAU registered students in the undergraduate degree programs: Accounting, Architecture, Business and Administration, Finance and Banking, General Economic, International Relations, Law, Marketing and Logistics, Political Science, Psychology, Tourism, and the Foundation English program; will be able to go for a semester or maximum four to Moldova within the frame of the Study Abroad Program.

### Colombo, Sri Lanka

GAU Colombo campus is a partnership with the local Metropolitan College, offering courses in Psychology, Business, Accounting, International Business, Marketing, Tourism and Hospitality Management, Political Science, Banking and Finance, International Relations, and English Language and Literature. Through this partnership, GAU Students have the option of spending 1 or 2 semesters away in colorful and vibrant Colombo.

### Istanbul, Turkey

GAU Istanbul Campus runs Summer School and Short Term Programs from any faculty, and the students are encouraged to take 2-3 courses.

### International Aviation Academy (IAA) Flight School

Girne American University offers a professional pilotage training certificate program and also incorporates other significant aviation certificate programs. GAU students from any department or people who want to have the pilot certificate but are not students at GAU can benefit from the flight training program.

### Dubai, UAE

Within the framework of our collaboration with the Westford University College, we offer specialized MBA programs in Dubai for experts who have acquired a threshold of experience at managerial positions of their careers.

### Nigeria

Through our articulation agreements with reputable universities in Nigeria, we give students the opportunity to study with our partners in Nigeria and complete the last year of studies in our main campus.

### Antigua, Central America

Our nursing and medicine students can take advantage of the exchange program and 2+4 academic collaboration we have in the Caribbean with the University of Health Sciences Antigua.

### Accra, Ghana

Similar to the articulation agreements in Nigeria, we offer students the opportunity to participate in our 3+1, 4+1, and 1+1 studies in Regent University College of Science and Technology and complete the last year of study in our Cyprus campus.

### Coimbatore, India

Our collaboration with Rathinam College of Arts and Science also provides students the opportunity for an exchange/mobility program and to participate in our 3+1, 4+1, and 1+1 articulation scheme.

### Missouri, USA

Through our partnership with Webster University, students enrolled into our Business & Economics faculty can opt to study Webster curriculums taught by its staff and earn a degree from Webster University after successful completion of the Program while studying in our campus.
