Curriculum Vitae

1. **Name** **:** A. Emrah Orhun
2. **Date of Birth :** 08.04.1951
3. **Education**

Degree	Department	University	Year
B.Sc.	Electrical Engineering	Middle East Technical University	1973
M.Phil.	Electrical and Electronics Engineering	Brunel University	1974
M.Sc.	Education	Oxford University	1996
Ph.D.	Electrical and Electronics Engineering	University of London	1979

4. **Academic Titles**

Assistant Professor, Dept. of Computer Engineering, Middle East Technical University, Turkey, 1979.

Associate Professor, Dept. of Electrical and Computer Engineering, California State University LA, USA, 1983.

Professor, Dept. of Computer Engineering, Ege University, Turkey, 1988.

Professor, Dept. of Computer Science, Troy University, USA, 2000.

5. **Graduate Theses that were supervised**

    6.1. **Master of Science**
    6.2. Ph.D.
    1. Semra Tunalı, A Knowledge-Based System for Job-Shop Scheduling Using Prolog, Ege University, 1991
    2. Birgül Egeli, Hypertext and Learning, Ege University, 1991
    3. Ahmet Kaşlı, Design, Development and Evaluation of Computer-Assisted Instruction Software, Ege University, 1991
    4. Bahar Alakent, Computer-Based Learning Environments for Primary Education, Ege University, 1992

6. **Publications**
    (Given separately)

7. **Positions held in projects**

    1. Partner, "Generation 0101" Erasmus Plus Strategic Partnership Project coordinated by Croatia (2014-1-HR01-KA205-007214, 2014-2016).
    2. Co-ordinator, "City as a Living Laboratory" Project funded by Izmir Development Agency (2015-2016).
    3. Co-ordinator, US Lead, EU-US Atlantis Project P116J070057 International Cooperation in Ambient Computing Education (2007-2011).

4. Initiator and Evaluator, EU-US Atlantis Project International Cooperation Using Educational Technology in Graduate Studies in Computer Science and Technology (2003).
5. Co-ordinator/Researcher, Commission of the European Communities INCO-DC Programme, Project No.973367 "Training Teacher Educators for Using Cognitive Technologies in Teaching and Learning" (1998-2002).
6. Co-ordinator, Turkish Scientific and Technical Research Council R&D Project "Development of Courseware for Primary Mathematics and Chemistry" (1998-2001).
7. Co-ordinator, Turkish Technology Development Foundation Software Development Project "Development of Courseware for Primary Mathematics and Chemistry" (1998-2001).
8. Co-ordinator/Researcher, Commission of the European Communities Med-Campus Programme, Project No.359 "Training Teachers for Using Cognitive Technologies in Teaching and Learning" (1993-1995).
9. Mediterranean Countries Co-ordinator/Partner, Commission of the European Communities Med-Campus Programme, Project No. 6 "Methodologies and Technologies for Distance Education in the Mediterranean" (1992-1994).
10. Co-ordinator/Researcher, Turkish Scientific and Technical Research Council Project EEE-AG10 "Computer-Based Learning Environments for Primary Schools" (1991-1994).
11. Co-ordinator, Computer-Aided Building Design Project, Ege University Research Fund (1987-1989).

8. Administrative Positions

1. Chair, Department of Software Engineering, İzmir University (2011-2016).
2. University Executive Board member, İzmir University (2014-2016).
3. Chair, Computer Hardware Divison, Department of Computer Engineering, Ege University (1986-1992).
4. Vice Rector, Girne American University (2018-).

9. Courses taught during the last two years

Academic Year	Semester	Course
2018-2019	Fall	CEN305 Operating Systems
		CEN507 Programming Languages
	Spring	
	Summer
