#### KEY ACHIEVEMENTS

From 1999 - 2002 I worked as Operation Branch Manager for NATO Southern Region Naval Command (COMNAVSOUTH). During that time we have initiated Operation Active Endeavour against terrorist activities in Medeiterrenean. I have received two medals and several recognitions for my outstanding service. More recently, while working as a Quality Manager for a defence company, I've leaded innovation projects and our two products have received several innovation awards.

## Orhan K. Babaoglu

CURRICULUM VITAE

#### PERSONAL STATEMENT

I am a competent "Unlimited Master" with a Postgraduate Diploma in Electrical Engineering from Naval Postgraduate School in Monterey, CA. I have 30 years naval and 7 years defense sector experience that covers all areas of the maritime community and defense society. I am a dedicated submariner by profession, an electrical engineer by graduation, a professional manager by experience and a teacher by preference. Teaching is something I love, what I do best and what I intend to do for the rest of my life.
